It is probable that Dr. C. C. Owens, retiring Superintendent of the Feeble-Minded Institute at Frankfort, will succeed Dr. James W. Hill as First Assistant Physician at Lakeland.

Messrs. Mose Daulton & Bro. gave one of their handsome new turnouts to a committee of gentlemen representing the Christian Church to be disposed of by them to the best advantage, the proceeds to be applied on the Church debt. JAMES H. RAINS.

Mr. James H. Rains, one of our oldest and most highly esteemed citizens, died last evening at 6 o'clock at his home in West Third street, after a sickness covering nearly two years.

His father and mother were Harry and Elizabeth Curtis Rains, and he was born in this city March 22d, 1823, in a house within fifty yards of the home in which he died.

He was married twice. His first wife was Miss Susan E. Bullock, to whom he was married in June, 1850; the second was Miss Mary E. Bruer. From these marriages six children were born—Mrs. Q. R. Shipley, Mrs. J. A. Curtis, Mrs. W. M. Oridge, James M., J. C. and Miss Sallie Rains.

He leaves a wife and the six children above mentioned, together with a sister, Mrs. William Roe, and a brother, Mr. John M. Rains, to mourn his loss.

He has spent nearly all his useful life in this city.

He was a member of the First Presbyterian Church, and also of Ringgold Lodge No. 27, I. O. O. F.

His funeral will occur Sunday afternoon at 2 o'clock from the First Presbyterian Church, Rev. John Barbour conducting the services. Interment in Maysville Cemetery.

MISS ANN WURTS.

Her many friends in this city will sincerely regret to learn of the death of Miss Ann Wurts, who passed away yesterday morning at the home of her niece, Mrs. Sturgis Bates, at Riverton, Greenup county.

Miss Wurts was a daughter of George and Mary Wurts, and was a native of Greenup.

Surviving her are three sisters and one brother, Mrs. Sallie Russell of West Virginia, Mrs. Alice Biggs, Mrs. Mary P. Peters and Mr. John Wurts of Greenup.

Miss Wurts was a sister-in-law of Mr. B. A. Wallingford of this city. She had spent a great deal of her time in Maysville, where she was well and favorably known.

The remains were brought here at 8:30 this morning and taken direct to the Maysville Cemetery for interment, services being conducted at the grave by the Rev. Dr. John Barbour of the First Presbyterian Church.

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours;

a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is that the kidneys are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

With the mercury 41 degrees below zero in New York, 36 degrees in New Hampshire, 35 degrees in Pennsylvania, 25 degrees in Ohio, and 15 degrees in the "Southern State" of Maryland, will some one please take the stand and assign a sensible reason for wanting to find the North Pole?

THOSE Senators who oppose the confirmation of LEONARD WOOD as a Major General in the Army have prepared a brief in which the General's veracity, his alleged insubordination to General BROOKES and his dealings with the Jai Alai Society are leading features. The august Senators evidently do not think a liar is a proper person to wear a pair of stars, even though he be a pet of the President.

A WASHINGTON dispatch says Senator PLATT has assured the President that there was no discord in the Republican ranks in New York, and that the state delegation would go to Chicago enthusiastic for him. And yet it must not be forgotten that the New York delegation at Philadelphia was enthusiastic for TEDDY for the Vice-Presidency—for the sole purpose of getting him out of the way. Only the work of an assassin defeated their purpose. Now, it seems, the New Yorkers are "enthusiastic" for his nomination—in the hope that he may be defeated at the polls.

Possibly it was his earnestly expressed desire for information that started Japan and so hunting the old place up.

THERE IS NO SUBSTITUTE

The funeral of the late Thomas C. Campbell occurred in New York yesterday noon.

What might have proved a serious conflagration at the residence of C. E. Nauman was averted by the prompt action of our ever-ready and obliging operator, Mr. Humphreys, who had two sections of a lightning fire brigade on the way in about thirty seconds, speeding along at fifteen miles per hour, impressing about fifteen men, mostly carpenters, led by O. E. Ward, one of the C. and O.'s most proficient foremen. George Rout, C. and O. Baggage Master, was on hand to see that any luggage or baggage was properly handled.

C. E. NAUMAN.

Prevent Chapped Hands!

Nothing is more disagreeable or unsightly than chapped hands. To prevent the hands and face from chapping is the question. We have a preparation of our own manufacture that is superior in every way to any other make—

Picard's Snow-White Cream!

This cream, if properly used, will keep the hands and face soft and white and prevent them from chapping. Ladies find Picard's Snow-White Cream very acceptable, from the fact that gloves can be worn immediately after applying the Cream. Picard's Snow-White Cream is excellent to use after shaving.

NERVOUS PEOPLE.

SOMETHING YOU OUGHT TO KNOW.

"No nerves and never irritable." This is what our well known druggist, J. C. Pecor, says people report after taking Vinol. "It is remarkable," said Mr. Pecor to the editor of THE PUBLIC LEDGER, "how many people buy sedatives and all sorts of opiates to quiet and deaden the nerves, when they are weakening their entire nervous system by doing so."

"Nerve troubles are easily cured," continued Mr. Pecor. "It is simply a case of treating the general weakness, not the nerves alone, and that is just what Vinol does in the most direct and simple manner possible. It cures nerve trouble because it builds one up and makes one strong all over. It invigorates the entire nervous system, makes new blood and vitality.

"Vinol contains no drugs, and you know what you are taking—simply the medicinal curatives found in cod liver oil dissolved in a delicious table wine and a little organic iron added. It is fast superseding old forms of cod liver oil and emulsions because it is so delicious to the taste and has such marvelous vitalizing power."

Such letters as the following prove what Vinol will do: Mrs. Elizabeth Richards of 32 E. Montcalm St., Detroit, Mich., writes: "I was very weak and suffered from nervous prostration, tried all sorts of medicines without relief. I have now taken four bottles of Vinol, and it has brought back my health and strength."

Miss Lizzie Leary of Burlington, Vt., says she was a nervous wreck, and Vinol restored her to perfect health.

Miss Edythe M. Perry of St. Paul, Minn., says Vinol cured her of nervousness and insomnia.

And so we might go on quoting from hundreds of just such letters; and it is for this reason that we say to every nervous, run down and debilitated person in Maysville, try Vinol, and if it does not cure, come back and get your money.

J. C. Pecor, Druggist.

PILES

"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for the first time. In the course of a week the piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am entirely cured and feel like a new man." OF THE SEASON VALUES!

The ready-made Suits add much to the attractiveness of this Clearance Sale. The price range is

From \$8½ to \$17½!

It was originally \$12½ to \$35. It is an interesting occasion for women mindful of saving--truly liberal good fortune.

The fabrics include stylish novelties in harmonious color mingles, solid colors and black.

The models are straight fronts, Norfolks and Russian blouses.

Facts are better than adjectives--we won't say more--if you'll come to the store the Suits will do the rest.

GOWNS FOR COMFORT.

Outing nightgowns that will give tropical comfort in zero weather. Pretty blues and pinks, nicely finished for dainty wearers. The slight soil that has cut prices can be easily obliterated and prove the laundering merits of the gowns at the same time.

\$1 Gowns 75c.

\$1½ Gowns \$1.

ROPE PORTIERES.

For \$1 large size portieres in handsome color blendings. Such a price might be named on old and discarded designs or for inferior grades but to get choice quality, generous size and new designs at such little cost is certainly surprising. The assortment is large but so will be the selling for such prices won't come soon again—if we can help it.

CARPET LENGTHS.

If you will need a new carpet in the spring read this carefully. It will pay you to anticipate for a chance like this will not come soon again. We have some Ingrain lengths from 7 to 30 yards—not a fag-end lot by any means. A big cheerful showing of a full dozen patterns in this season's styles. Choice of any, 50c yd. A saving of 20c yd. on spring prices. These carpets are their own best argument. See them.

BLEACHED COTTONS.

Remnant lengths from 2 to 7 yds. Accumulations from a busy fall. Prices range from 7½ to 10c yd. Choice 5c yd. There is neither honor nor profit in fooling the people. These like all other offerings in this sale are genuine bargains.

ART SQUARES.

You know our say so in the paper is our do so in the store. When we tell you we have some handsome Body Brussels Rugs, 4 yds. long, 3 yds. wide, to sell for \$16, that were originally \$22½ you know just what to expect. Unless such carpet goodness for the price baffles your imagination. Don't trust to metal pictures. Come to see these beauty rugs.

COMFORTABLE NEWS.

Real economy doesn't consist in simply getting an article for little money. We have see comforts sold for a \$1 that were wretchedly dear because far below the level of real goodness. Not so, these pretty comforts made of plain and figured print with downy cotton filling. The early season price was \$1½.

OPPORTUNE ECONOMY.

In Women's Coats. The decorative treatment is of the handsomest quality and the materials are rich and elegant. The woman who desires a coat for practical service or for dressy occasions need pay little to gratify her wish. Price concessions are most liberal. Coats of kersey, cheviot, zibeline, melton and broadcloth in castor, black, navy and tan that were \$5 to \$35, now \$2½ to \$17½, exactly half price.

SKIRTS LOOK BIG.

On the bargain horizon today. Ought to, for they're recruited from every hyway and byway of our skirt stock. Not a single fabric or style or color you'll like is unrepresented. Details are impossible where so many sorts are included. \$4 Skirts \$2.75. \$5 Skirts \$3.50. \$7½ Skirts \$5.

Materials—cheviots, coverts, tweeds, Scotch mixtures and zibelines. Colors—Black, navy, brown and mixtures.

SHORT ENDS OF TABLE LINEN.

That is, lengths too short to sell by the yard in regular stock—but ample for single tablecloths. All kinds, bleached and unbleached, in lengths of 1 to 4 yards, from a quality that usually sells at 50c a yard to double satin damask at \$2½ yd. Some rare bargains at much reduced prices.

SHEETS AND PILLOW CASES.

Women used to buy a bolt of sheeting, tear it up into proper lengths and then spend hours at the sewing machine. That time is past. The introduction of improved machinery enables one to buy ready-made sheets and pillow cases at less than the actual cost of material in former days. The sheets and pillow cases we offer are hand torn, and ironed, and every one evenly hemmed.

42×36 Bleached Pillow Cases 10c.

45×36 Bleached Pillow Cases 10c.

Both are made of grave bleached cotton.

Bleached Sheets made of heavy Utica cotton, 81×90 inches.

Deep top and narrow lower hem, 65c.

BLANKET BLESSINGS.

This snap in the air makes blanket bargains welcome. "All Wool" in the blanket trade covers a multitude of sins—cotton and shoddy sins.

The truth about blankets is imperative here. When we say "All Wool" you may depend upon it and if part wool or all cotton we're equally frank. We tell the truth in our labels and the truth is good enough to make good labels. No shoddy here—it's blanket goodness through and through at every price. These reductions—

SUTTON STREET!

Why Not Begin the New Year BY BUYING SHOES AT Dan Cohen's Great Western Shoe Store?

When you feel your feet so comfortably clad, and realize how heavy your purse still is, you will feel new "sway" and "go," heart lighter, head clearer and in your heart only pity for the "other fellow," who is still shambling around in his old shoes, with his head down and his courage at an ebb—proportionately low. Do your best to make it so, and let us help you, and the New Year Will Be Happy.

Yours for 1904,
